§ 1940.956 State rural economic development review panel.

(a) *General.* In order for a State to become or remain an eligible State, the State must have a rural economic development panel that meets all requirements of this subpart. Each designated State will establish a schedule whereby the panel and FmHA or its successor agency under Public Law 103-354 will coordinate the submission, review, and ranking process of preapplications/applications. The schedule will be submitted to the Under Secretary for concurrence and should consider the following:

(1) Timeframes should assure that applications selected for funding from the current FY's allocation of funds can be processed by FmHA or its successor agency under Public Law 103-354 and funds obligated prior to the July 15 pooling established in § 1940.961(c) of this subpart;

(2) Initial submission of preapplications/applications from FmHA or its successor agency under Public Law 103-354 to the panel and any subsequent submissions during the first year;

(3) How often during each FY thereafter should FmHA or its successor agency under Public Law 103-354 submit preapplications/applications to the panel for review and ranking;

(4) Number of working days needed by the panel to review and rank preapplications/applications;

(5) Number of times during the FY the panel will submit a list of ranked preapplications/applications to FmHA or its successor agency under Public Law 103-354 for funding consideration;

(6) Consider the matching of available loan and grant funds to assure that all allocated funds will be used;

(7) How to consider ranked preapplications/applications at the end of the FY that have not been funded; and

(8) How to consider requests for additional funds needed by an applicant to complete a project that already has funds approved; i.e., construction bid cost overrun.
